

Opening Partner Prayers for Home Visitation Work

+ Mary, (*name of praesidium*),
we call upon you with confidence and fervor
as we place our Legion assignment into your hands.

Help us to give our very best effort
as we immerse ourselves into your intentions.
May we work with you in such close union
that miracles of grace will abound.

O Most Holy Spirit of God,
keep it foremost on our minds
that the aim in all our discussions should be
to make those outside the Church catch a glimpse
of the treasures within it - most especially the Eucharist.

Work through us that we may constantly strive
to instill a true love of Mary and her maternal role,
thus drawing souls closer to Christ
and advancing Christ's Kingdom on earth.

May we become as our Handbook says,
living Miraculous Medals -
humble instruments of Our Lady's graces to the world.

Amen. +
